### Important information for the new member:

Join now and become a member of the Märklin-Insider-Club. Your membership starts the day we receive your application. You receive 6 issues per year of both the Märklin Magazin and the Club News.

Only members who apply by March 31, 2005 will be able to order the 2005 Club cars.

#### Membership renewal:

A membership renewal notice will be mailed to you 6 weeks prior to your renewal date.

**...and »get the fast train« as an Insider.**

...and »get the fast train« as an Insider.

**X Märklin Magazin**

The most interesting and valuable resource of information for the Club member is the Märklin Magazin. Club members will find detailed information on layout construction, train maintenance, new product announcements, historical articles about the prototypes and railroads.

**X Annual Coupon**

As an Insider, for each current Märklin annual in one of the gauges H0, Z or 1, or optionally an annual CD-ROM, you will receive a coupon that can be redeemed at your Märklin dealer.

**X Insider Club Card**

The personalized membership card allows you to take advantage of reduced entry fees to selected model railroad exhibitions and shows.

**X Club-News**

The Club News magazine is filled with the latest news and information about new products in H0, Z Gauge, 1 Gauge and accessories. Keep up-to-date on model railroading shows, events and activities for Club members.

**X Annual Club Cars**

(Z Gauge)

(H0)

**X Retrospective**

The DVD included in the annual fee shows the high points of the past Märklin model railroading year.

Club members will particularly look forward to the annual car included in the membership fee, which you can obtain from your dealer in H0 or Z Gauge. Our illustrations show the model of the 2004 annual car.

Club members receive brochures, posters and all the latest news delivered to their home in the Club mailings.

Throughout the year new club models are announced and can be ordered exclusively by Club members. 2004 models include the »Big Boy« No. 4012 and

class 05 in H0 and the class Gt 2x4/4 in Z gauge. These models are highly sought after by Club members.

**Attention, Märklin-Friends worldwide!**
